

The Circle

A discussion group for women about life and wellness

The Circle is a directed discussion and support group where a set of thought-provoking questions will be used to guide a discussion. Topics are women-centered and relate to being well. Topics have been chosen by the women who attend the group. The Circle is a place to come rest and connect. Those who prefer to listen are welcome. This group is open to all women, including trans women.

Third Tuesday of every month all year. Attend one group, or more.
