teach sexual health**

SH FT

sexual health facilitator training

Sexual Health Facilitator Training is for service providers interested in offering a holistic approach to sexual health workshops to clients.

- Receive access to 10 complete 2 1/2 hour workshops (.pdf format downloadable through online portal) for you to use or adapt.
- Experience components of each workshop and reflect on how you can use the content
- Ongoing post-training support and consultation, including access to future updates.

September 22nd, 29th & October 13th • 9:00am - 4:30pm

Birth Centre • 603 St. Mary's Rd, Winnipeg MB

Cost: \$150 (Birth Control Teaching Kit available for an additional \$35)

Light snacks provided.
