women's health clinic

2017/2018
ANNUAL REPORT

women's health clinic

We are improving access through partnership.

We are expanding services throughout Manitoba.

We are influencing the women's health agenda.

We are diversifying our revenue base.

We are strengthening our organizational health.

STATS

Your Life as a Tree

We partnered with Ka Ni Kanichihk

We offered two groups for two programs for young people with Ka Ni Kanichihk using the Tree of Life model, which involved storytelling and art.

4 youth at Ka Ni Kanichihk trained as co-facilitators for these groups.

Medical Abortion

We are advocating for and working on reducing barriers to access.

We now offer medical abortion, and are developing resources and training for providers throughout Manitoba.

4 physicians currently providing medical abortions.

Provincial Mental Health Consultation

We were participants during the entire process.

We emphasized the need for service coordination and a gendered lens.

Fundraising Events

We had two successful fundraising events.

All the money raised at both of our fundraisers went to the free Pregnancy Prevention & Safer Sex Supplies program.

\$16,000 at Sights & Sounds dance party.

\$30,000 at Women. Wine. Food.

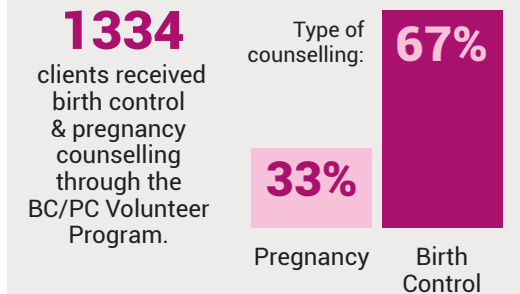

Psychological Health & Safety

We created a Psychological Health & Safety Committee.

The committee launched the Guarding Minds at Work survey which helped us discover where we can improve as an organization.

70% of staff participated in the Guarding Minds at Work survey.
