

OUR VISION, MISSION & VALUES:

Women's Health Clinic (WHC) provides accessible, woman-centred services, creates strategic partnerships and advocates for system change. We work toward the vision of having equitable health and wellness services within and beyond WHC, delivered through a feminist lens. All our work is guided by our values – choice, inclusion, social justice, innovation and integrity.

WHC EXPECTATIONS:

Every employee is expected to contribute to the mission, vision and values of WHC, and the achievement of its strategic plan through collaboration and teamwork. Employees are expected to consistently attend work, function within WHC's principles of services, contribute to the quality of our services for clients and look for ways to improve our overall effectiveness and enhance client experience. Employees will respect each other, clients and members of the public and create an environment where clients have the information, knowledge and support they need to achieve their individual health and wellness goals.

WHC PROMISE:

WHC will provide employees with a respectful, healthy and safe work environment and compensate and recognize employees in a fair and meaningful way. We will provide employees with opportunities to participate in planning and decision-making and to communicate your concerns, ideas and suggestions. We will listen and be responsive. We will support employee growth and development through a culture of coaching, learning and encouragement.

Job Stream: D

Union Classification: Nurse Practitioner

Position: Clinical Nurse Specialist, Abortion Program

Position Reports to: Director of Programs

POSITION SUMMARY

The Clinical Nurse Specialist of Women's Health Clinic has overall responsibility for the implementation of the Abortion medical protocols and patient care. This person will work alongside our Medical Director to oversee all phases of medical services at our Clinic including the Procedure Room, the Recovery Room, the Lab and Ultrasound.
